7ECM July 18-22, 2016 in Berlin

Dear Madame, dear Sir,

The quadrennial congress of the European Mathematical Society (EMS) is organized by the German Mathematical Society (DMV), the International Association of Applied Mathematics and Mechanics (GAMM), the Research Center MATHEON, the Einstein Center ECMath, and the Berlin Mathematical School (BMS). The congress will take place from 18-22 July 2016 at the Technische Universität Berlin in Germany.

The Organizers have developed a broad scientific program consisting of ten Plenary Lectures, 31 Invited Lectures, several Prize Lectures, the Hirzebruch Lecture, the Abel Lecture, a History Session and much more! And of course mathematicians from all disciplines and all over the world are cordially invited to contribute to the program in terms of mini-symposia, contributed talks and posters.

Please find attached the 7ECM Poster. We would be happy if you could distribute copies of these in your institution. Thank you very much for your cooperation!

We are looking forward to meeting you in Berlin in 2016!

Sincerely yours,

Volker Mehrmann
Chair of the 7ECM Local Organizing Committee
